[SYSTIME Computer Systems Ltd.](#), a 100% subsidiary of the CMS group, one of the largest Oracle JD Edwards practices in the Asia Pacific region, was awarded as the JD Edwards Partner of the year, 2007 by Oracle. The Oracle PartnerNetwork Partner Award was conferred at the Oracle India Partner Forum on April 20, 2007.

The award, presented by Oracle PartnerNetwork, recognizes companies that have successfully defined new markets, achieved leadership positions in target markets, and transformed traditional business practices using Oracle's solutions

SYSTIME's commitment towards Oracle JD Edwards has played a significant role in sustaining and expanding the JD Edwards customer base in India. SYSTIME provides high quality ERP solutions to all its customers and has an expertise in implementing ERP solutions across all major companies.

Mathew Thomas, Director, Alliances & Channel, [Oracle India](#) said, "SYSTIME has developed industry specific tools for the rapid implementation of Oracle solutions at customer sites. SYSTIME is a part of the successful Oracle Accelerate initiative in India."

Vishal Grover, President and CEO SYSTIME said, "It is indeed a great honour to receive the much acclaimed JD Edwards Partner of the Year 2007 award .SYSTIME's deep domain knowledge and expertise in delivering cutting-edge solutions in the area of Enterprise Applications has helped us receive this award. With continuous support from Oracle, we will continue to explore and expand in the newer market segments."
