Last year SYSTIME was honored with the Oracle North America Titan Award for a JD Edwards solution for 2006 and has also been awarded the JD Edwards Partner of the year in India for 2007-2008.

At the Oracle PartnerNetwork reception at the San Francisco Marriott hotel, SYSTIME's President and CEO Vishal Grover was given the award by Jeff Henley, Oracle Chairman of the Board.

The Oracle North America Titan Awards are presented annually during Oracle OpenWorld. The Titan award recognizes solutions and business practices developed or delivered in fiscal year 2007. The award recognizes partner

excellence and dedication in a number of areas, including sales, marketing, and solution development. The award recipients were selected by a distinguished group of third-party media and analysts and Oracle professionals. SYSTIME's untiring efforts in delivering proven business solutions continuously in the Enterprise Applications and Business Intelligence landscape and affiliation with Oracle have helped in winning this prestigious award.

"The Titan award holds great significance for both Oracle and our partners as it recognizes the commitment and exemplary work by the partner in delivering customer relevant solutions. The philosophy of customer satisfaction and solution relevance helped SYSTIME earn the award," said Rauline Ochs, Senior Vice President, North America Alliances and Channels, Oracle.

"SYSTIME winning the Oracle North America Titan Award in the JD Edwards Solution Category for the second time, in addition to being a Certified Advantage Partner in Oracle PartnerNetwork is a testimony of our ability to provide unmatched solutions in the JD Edwards arena. We go above and beyond to deliver innovative business solutions for our customers and our partners like Oracle," said Vishal Grover, President and CEO of SYSTIME.
